When wear begins to exceed repair in your body you are going to fall sick. The signs of it are: loss of flesh, paleness, weakness, nervousness, etc. The repair needed is food. You think you eat enough, and yet you feel that you wear out more than, energy, nervousness, than your food makes for you. The difficulty is that you do not digest enough. And this is so serious it is worth sitting down seriously to think about. If you can't digest what you eat, take a few doses of Shaker Digestive Cordial. The effect of it will be to increase your flesh and make you feel stronger. You won't fall sick. Proof that it is in control of your repair apparatus. It's easy enough to test this for yourself. Take a few bottles of Shaker Digestive Cordial.

Sold by druggists at 25 cents to \$1 per bottle.

Seems as if all the things we like disagree with us, and all the things we don't like agree with us. Dyspepsia lurks in most of the good things we eat, and indigestion follows the gratification of appetite. Of course it isn't Nature's fault. Nature does the best she can, and if a man will only help her a little bit at the right time, he may eat what he likes and as much as he likes. Dr. Pierce's Pleasant Pellets are for people who are troubled with indigestion. Particularly for those in whom it manifests itself in the form of constipation. The "Pellets" are quick and easy in their action. They are in perfect harmony with nature. They effect a permanent cure. You need take them regularly only a little while. After that, use them occasionally when you need them—when you have eaten anything that disagrees with you. They may be taken just as freely as you would take water or any other necessity of life. Once used they are always in favor.

The case of Thomas Harvey, who on Monday attempted to pass a worthless check in this city, is a peculiar one. Before the case was called in the Police Court yesterday, the officials looked up the law to find out what sort of charge to prefer—and, by jing, they found out that they couldn't prefer any! So the accused was turned loose.

Our Watch Hospital

is always open. A watch must keep time as a train must keep the track. If your watch don't keep time bring it here and we will make it right to smallest part of a second. When a watch leaves our hospital to renew its duel with Time its seconds must be reliable, and we make them so in every case. When a watch runs even with time it's ahead. TAXING FRANCHISES.

What Maysville's Three "Corporations" Will Pay Taxes On.

The State Board of Valuation, composed of the Auditor, Secretary of State and Treasurer, has about completed the big task begun several months ago, the fixing of the taxable franchise values of the different corporations of the state, subject to a franchise tax.

THE LEDGER gives the valuation placed upon the three Maysville corporations that come under this law:

Maysville Water Company	\$33,650
Maysville Street Railway and Transfer Company	5,250
Maysville Gas Company and Citizens' Gas Light Company (consolidated)	18,410

The highest valuation in the state is that of the Louisville Street Railway Company, \$5,488,655.

The Western Union Telegraph Company comes in for \$1,043,020, and the Adams Express Company kicks the beam at \$1,463,040.

In a recent letter to the manufacturers Mr. W. F. Benjamin, Editor of The Spectator, Rushford, N. Y., says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating if they were not she would bring a quantity with her, as she did not like to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, lame back, pains in the side and chest, and Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and are unequalled by any other. They are for sale here by J. James Wood, Druggist.

TAKES THE STUMP.

Major McKinley Has a Unique Present From a Tennessean.

Major McKinley has received by express a finely polished and embellished stump of a tree.

It is intended for use in delivering his front porch addresses, and is of a convenient height for that purpose.

The stump was sent by Jesse C. Grover, Sheriff of Knox county, Knoxville, Tenn. Accompanying the stump was a long letter from Mr. Grover, which said in part:

"The loyal people of East Tennessee are intensely in earnest in your behalf in the present National contest, and being desirous of impressing that fact deeply and firmly on your mind, I have sent a token of our devotion as a people to the cause of good government, which you so ably and fully represent. The contribution which I make today is an ideal Republican stump from the great Commonwealth of orators. Since we can't have you on the stump in the South this fall, we hope you will do us the honor to deliver your home speeches from the Southern stump."
